

# Style Guide

## 1. Colour palette

The primary color for the header in the registration will be #aea699.

The primary color for all the text will be #000000.

And the background color for all the webpages will be white.

## 2. Font

The principal font for the page will be Ubuntu, a classic option

## 3. Logo

The logo for the page will be an image of Ahri from the videogame League of Legends, which is the only image that I have at the moment, and I like it.
